

The Final Exam Clinic

ATTENTION ALL HIGH SCHOOL GIRLS BASKETBALL PLAYERS!!!

You may think that Monday November 26th are your tryouts. Even though that's what they are called, it's not an entirely accurate description.

Monday November 26th is your FINAL EXAM!

It's your final exam to test what you have learned from last season.

Did you improve on your weaknesses?

Did you make your strengths stronger?

Did you work as hard as you could have?

All these questions WILL be answered on the 26th.

Just like in school, the results are completely in YOUR control. No matter what your skill level, you will be under the microscope come tryouts. Whether you are the star of the team, or the last one to make it, this will be a test to see what YOU did with the time you had since last March. The BT Basketball Final Exam Clinic is designed to help you not only squeak by this exam, but pass with flying colors!
