

The Next Level Clinic

As practice gets started for all youth teams, take advantage of this special clinic designed to take your game to the NEXT LEVEL.

Why attend a clinic when practice is just getting rolling???

Simple! This clinic will be VASTLY different than practice. Team practice is often limited in it's development of individual skills. And rightfully so, as coaches have limited time to put in plays, both offensive and defensive systems, teach, condition, as well as other responsibilities. THERE IS OFTEN LITTLE TIME LEFT TO DEVELOP PLAYERS.

That is what the BT Basketball Next Level Clinic is for. Not just drills for the sake of drills. But drills that have practical applications on the basketball court.

This is just what you need to physically AND mentally prepare yourself for the upcoming season... A fast paced, high energy skills clinic!
