

## **Dribbles, Dunks and Donations for Devon**

Please join us on Saturday September 10<sup>th</sup> at the Sparta PAL for a skills clinic for 1st-High School players where **ALL** proceeds will go to benefit

**Devon Collver Carbery**

Many of you know Devon, her husband Adam, or her father Charlie. Help us as we come together to make an immediate difference for this family.

This clinic will be in the usual BT Basketball style. High intensity skill work combined with tons of fun. Improvement and smiles!

We will be raffling off a personally signed **Kenny Anderson basketball** (former NBA All Star and basketball legend). In addition, we will be holding a half court shot contest for a Kenny Anderson signed custom water bottle.

**Parents can enter as well!** Kenny was kind enough to sign a ball/bottle strictly for this purpose. You do not have to attend the clinic to enter the raffle and support!
