

Spring Break Clinic

BT Basketball is thrilled to offer you the **Spring Break Hoops Clinic!** What you do from now until November **WILL** determine the success that you have next winter. It's as simple as that. **Just practicing or shooting around will NOT** get it done. It will take focused, specific drills along with a plan in order to achieve your goals. Our spring break clinic will lay out the drills that you need and also put you through them so you know exactly how they all work! **Bring a notebook so you can write everything down.**

Get ready for not only a great workout, but also to walk away with your game plan for the off season!

Tuesday April 23rd - 1st-6th grade boys and girls - 10:00am-12:00
