

Columbus Day Clinic

If you have ever been to a clinic, camp, training session, or any other event that we put on at BT Basketball, you know 3 things.

- They are intense and effective
- They are filled with teaching and instruction
- They are littered with smiles and laughs

Our Columbus Day clinic will mirror this. This is the time of the year where you either kick it into high gear or simply get left behind. Take advantage of this one day clinic to tighten up your skills and knowledge base to get ready for what's coming.

Register today, spots are limited!

Monday October 14th - Sparta PAL - 38 Station Road
